

Operating for more than 120 years

The City of Wollongong Eisteddfod was first established in 1894 and is the second oldest in Australia. We are a not-for-profit organisation dedicated to offering performance opportunities and incentives for young people to “shine”.

The Eisteddfod caters for competitors in many genres including Vocal, Instrumental, Speech & Drama and all forms of Dance.

To operate the Eisteddfod each year we rely on the generosity of our partners, sponsors and volunteers. Due to increasing numbers of competitors each year, and of course spiralling costs, we are asking for your financial assistance so that we can utilise the most qualified adjudicators in quality venues.

Sponsorship ranges from \$33 to endorse a section through to an \$1100 Platinum package, which will contribute to Scholarship events and major championships.

Another option is to advertise in our General programme and/or Dance programme.

Full Page (180 mm x 120 mm) \$180.00

½ Page (90 mm x 120 mm) \$ 90.00

All advertising & sponsorship prices are inclusive of GST.
